Care Instructions

Warm Nordic's furniture is high quality when it comes to design and functionality.

With correct maintenance, the furniture will remain in good condition for many years to come. We advise that you follow the accompanying guidelines to care for and clean the furniture. This ensures extended life time.

General advice

Avoid dragging things across the surface as this can cause scratches.

The shelf itself can carry a substantial amount of weight, but the load depends on the condition of the wall it is mounted on. Make sure to use plugs and scres suitable for you specific wall.

Powder coated steel

Regular cleaning: To be wiped with a clean, lint-free cloth wrung out in warm water. Add a neutral detergent if necessary. Wipe with a dry cloth. Always remove stains immediately.

Note that chlorine-based liquid may cause rust formation and so should not be used.

Do not use alcohol or any other solvents.

Do not use abrasives such as scouring creams, steel wool or scouring sponges as these will cause scratches.
